

Pediatric Dental Clinic

Compassionate pediatric care in Evansville

The Pediatric Dental Clinic has been serving our community since 2000, **caring for thousands of patients over the years**. As one of four dental clinics within Ascension, the Pediatric Dental Clinic is very successful, providing over 1,500 visits each year.

Types of services:

- New patient exams
- Routine exams and hygiene visits (prophylaxis)
- Radiographs
- Sealants
- Fluoride treatments
- Restorations
- Stainless steel crowns
- Extractions

We serve **youth 1 to 18 years** of age at schools within **Posey, Vanderburgh, Warrick and Gibson** counties, as well as three YMCA locations and Echo Community Health. We also treat those that are homeschooled. The Pediatric Dental Clinic accepts both medicaid and commercial insurances.

If your child does not have a current dentist or has not been seen in over 6 months, your child is eligible to be seen by our dental team!

Call the PMCH Pediatric Dental Clinic team at 812-485-5843 for more information.
